Go to next track
2. Power On / Off  
Play / Pause  
Take call / End call /  
Last number redial
3. Microphone
4. LED indicator
5. Decrease volume  
Go to previous track
6. Micro USB charging port

### Functions:

- Bluetooth 4.1 with a range up to 10 m
- Simple to operate in-line controls
- Manage calls using Hands-free
- Multipoint to connect 2 devices
- Clear sound with powerful bass
- Magnet on each earplug to wear around the neck or for handy storage
- 3 different earbud sizes included
- Ear hooks to hold the ear-plugs securely in place

---

### Pairing

Make sure the earphones are turned on so that they can be paired with your device (phone, computer or music player). When the green LED flashes rapidly, enable Bluetooth on your device and search for new Bluetooth devices. Select "P-1 by LAMAX Beat" from the list of found devices. If required, enter the password "0000" into your device.

---

## Operation / Playback

To turn on the earphones, press and hold the centre button on the controller for 4 seconds. After they have turned on, you will hear a tone and the green LED will light up. To turn off the earphones, press and hold the centre button on the controller for 4 seconds. You will also hear a tone when the earphones turn off. Press and hold **+** to skip to the next track, or press repeatedly to increase the volume. Press and hold **-** to go to the previous track, or press repeatedly to decrease the volume.

## Mobile phone call controls

To answer or end a call, press the middle button on the controller. Hold for 2 seconds to reject an incoming call. Press the button twice to redial the last number.

## Charging

To charge the earphones, plug one end of the cable into the micro USB port on the underside of the controller and the other end of the cable into a USB power supply supply with the maximum voltage of 5V, a computer USB port or an AC adapter designed for USB charging. When the power is connected, the green LED will turn on. The earphones are fully charged when the green LED turns off. Equipment must be charged under supervision.
